About SME and the Northern Nevada Section

The Society for Mining, Metallurgy & Exploration Inc. (SME) is a professional society and a non-profit 501(c)(3) corporation whose more than 15,000 membership represents all professionals serving the minerals industry. SME members in more than 85 countries include engineers, geologists, metallurgists, educators, students and researchers. SME advances the worldwide minerals community through information exchange and professional development.

The SME Northern Nevada Section engages local members of the mineral extraction community with monthly dinner meetings and technical presentations during the academic year. Our primary mission as a branch of SME is to support post-secondary education related to mineral extraction. We accomplish this by offering free admission to dinner meetings for students in the Mackay School of Earth Science and Engineering of the University of Nevada, Reno, and by distributing scholarships annually to qualified applicants from the Mackay School.

The SME Northern Nevada Section meets at 6:00pm on the second Monday of the month, from September to May. Instead of a normal meeting in December, we hold a Holiday Party/Scholarship Fundraiser, scheduled for the first Monday night in December.

Dinner meetings cost \$30 for NNeV SME Section Members, \$35 for non-members.

Meeting dates for the 2017-2018 season:

September 11, 2017

October 9, 2017

November 13, 2017

Annual Holiday Party Fundraiser: Monday, December 4, 2017

January 8, 2018

February 12, 2018

March 12, 2018

April 9, 2018

May 14, 2018

Meetings are open to anyone, and we encourage those interested to join SME locally and nationally.
