Tuesday, September 19<sup>th</sup>

6:30 pm

DMS 102

T-Shirts for Sale!

- \$10 for ECS Members
- \$12 for non-members

FREE PIZZA

The Electrochemical Society is a professional society dedicated to the advancement of electrochemical and solid state science and technology. The goal of our student chapter is to provide networking, education, and employment opportunities to students interested in all aspects of electrochemistry. These areas include batteries, fuel cells, corrosion, renewable energy, biological electrochemistry, electroplating, and many other technical areas.
