POSITION TITLE: Machine Technician I

POSITION LOCATION: Reno, NV

POSITION DESCRIPTION:
Square One Solutions is a company that provides many staffing and temporary labor services and also includes direct placement, temp to hire, recruiting, executive search and traditional day labor. Square One Solutions can serve you in all industries and focuses primarily on staffing. Duties include but are not limited to:

- Assemble/modify Mold-man machines and tools according to assembly manual(s).
- Complete construction phase of machine assembly, electrically and/or mechanically.
- Complete the final machine check off document.
- Set up, thoroughly test and debug machines in preparation for customer inspection and shipment prior to installation in the end user's facility.
- Maintain and update machine documentation, assembly manuals and troubleshooting lists.
- Test and document machine performance.
- Maintain an orderly and clean work environment which includes tool box, test materials, carts, shop equipment and surrounding areas.
- Comply with all safety policies and procedures.
- Work as individual, as a team, and with engineers to perform duties and responsibilities.
- Applicant must be able to solve problems that arise in a manufacturing environment without direct supervision while also performing as part of a team.
- Must be willing and able to work flexible shifts and changing work schedules.

REQUIRED QUALIFICATIONS:

- High School Diploma or Equivalency
- Recent Graduate of College
- 3+ years of mechanical and/or electrical assembly experience or relevant education required

ADDITIONAL INFORMATION:

- This position is offered only as a full time position
- Starting pay: $13.00 - $15.00 per hour

HOW TO APPLY:
Interested applicants should send their resume to johnny@worksg1.com.
